A thrilling incident took place at Conshohocken, Pa., one day recently. Lewis McCall, a local mervas waiting at a street crossing for a trolley car. Suddenly he slipped and fell and one of his legs shot across the track. Mortorman, conductor and passengers were horrified as they heard the wheels crunching the member to fragments The car was stopped and McCall was pulled from the track, but there was no blood in sight and his face bore a happy smile Mr. McCall had one leg of flesh and one of wood and it was the latter which the wheels had crushed.

Through exposure in my occupation as an Ohio River stemboat captain I contracted a severe form of Kidney trouble and for years I doctored but unsuccessfully. The pains across the small of my back and through my kidneys were almost unbearable. The kidney secretions were much discolored, seciling and irregular. Seeing the good results others obtained from the use of Doan's Kidney Pills, I called at G. W. M. Hooffs drug store and procured a box. They worked like a charm with me. I gained relief after but a few doses and when I had finded the second box I felt myself a new man. Doan's Kidney Pills to me proved a useful friend."

Ashburnham, Ontarie, testifies to the good qualities of Chamberlain's Cough Remedy.

Ashburnham, Ont. April 18, 1908—I think it is only right that Ishould itel you what a wonderful effect Chamberlain's Cough Remedy has produced The day before Easter I was distressed with a cold and cough and I did not think to be able to take any duties the next day, as my voice was almost choked by the cough. The same day I received an order for you for a bottle of your cough remedy. I at once procured a sample bottle, and took about three doses of the medicine. To my great relief the cough and cold had completely disappeared and I was able to preach three times on Easter day. I know that this rapid and effective cure was due to your cough remedy. I make this testimonial without solicitation; being thankful to have found such a Godsent Remedy. Respectfully yours,
